Despite the rain and wind on Sunday 10th September to coincide with the National Heritage Open Day Events, the launch of HCG's interpretation board and guided walk entitled Windows on the Past was well attended.

Twenty Two people gathered at 10:30 beside T'owd Genn to sing Pratty Flowers and to officially declare the board launched, followed by a guided walk lead by Deborah Wyles.

The afternoon event attracted another twenty people and the level of enjoyment and satisfaction expressed was heartwarming for all those who have worked so hard to make this happen. This board is a fitting tribute to Holmfirth and its interesting history and culture – HCG was delighted with your enthusiasm – thank you.
